Liberation Acupuncture

Admission Application - 2021

Important Dates

Applications for Cohort 8 will be accepted beginning April 1, 2021, and must be received by August 10, 2021.

Intent to Attend forms must be received within 30 days of applicant's acceptance.

Classes start September 10, 2021.

How to Apply

Please review the following information about POCA Tech's application process. Have you read our website and catalog? (www.pocatech.org)

Applications are accepted **ONLY** by Mail.

Rolling Admissions

Once POCA Tech has received an applicant's "Intent to Attend" form, and there is still a spot available, the applicant has a **place** in the next cohort. We will continue this process until all available spaces in the cohort are filled. This means that we make a decision about your application based on its own merits, not by comparing it to the entire pool of possible applicants. It also means that applying early greatly improves your chances of securing a spot in the next cohort. Once all available spaces are filled, admissions for a cohort will be closed and applicants will be placed on a waiting list.

Incomplete Applications

Incomplete applications are kept for 90 days without communication from the applicant.

Admission Requirements

Age

POCA Tech applicants must be at least 18 years old.

Basic Education Requirement

All applicants to POCA Tech must have completed at least 2 academic years (60 semester credits/90 quarter credits) of secondary education or the equivalent from an institution accredited by an agency recognized by the U.S Secretary of Education.

POCA TECH (501c3) 3526 NE 57th Ave., Portland OR, 97213

www.POCA Tech.org EIN 45-5496763

Liberation Acupuncture

Admission Application - 2021

Co-Requisites

420 hours or 28 semester credits/42 quarter credits hours of Western Biomedical classes (including required courses: Medical Terminology and Anatomy & Physiology I & II) must be completed before the beginning of the third year. Western Biomedical science training will be accomplished by transfer credits from a post-secondary educational institution accredited by the Department of Education. Tuition for this portion of the program will vary according to the institution. Additional required Western Biomedical classes are included in the curriculum.

Clean Needle Technique and First Aid/CPR are required courses NOT offered on campus.

Please note, the student's chosen state for practice may dictate additional classes for licensure. For instance: students who plan to practice in Washington must include a class in microbiology; students who wish to practice in New York must have a total of 9 semester credits in biology.

English Proficiency

All instruction is in English. English language competency is required of all students seeking admission to the program. This must be demonstrated by one of the following means:

1. The student must have completed a two-year (60 semester credits or 90 quarter credits) baccalaureate- or graduate-level, English-based education in an institution:
 - a) accredited by an agency recognized by the U.S. Secretary of Education, or
 - b) in the United Kingdom, Australia, Canada (except Quebec), New Zealand, or Ireland. In all cases, English must have been both the language of instruction and the language of the curriculum used;
2. Test of English as a Foreign Language Internet-Based Test (TOEFL® iBT)
Acceptable scores: TOEFL iBT total score – 61 with minimum speaking score – 20 and minimum listening score – 17, or
3. International English Language Testing System (IELTS)
Acceptable scores: IELTS overall band score 6 with minimum speaking score – 6.5 and minimum listening score – 6.

If any of these apply, please note them in this application's "Other Section."

Transfer Credits & Assessment of Prior Learning

All accredited Western Science and non-acupuncture general college credits from an institution accredited by an agency recognized by the U.S Secretary of Education are accepted by POCA Tech. (Most US Colleges & Universities are accredited).

POCA TECH (501c3) 3526 NE 57th Ave., Portland OR, 97213

www.POCA Tech.org EIN 45-5496763

Liberation Acupuncture

Admission Application - 2021

Undergraduate education from abroad may be accepted for the Basic Education Requirement and/or Co-Requisites with an evaluation from the Center for Educational Documentation or a similar organization. Please contact the Registrar with questions.

All POCA Tech students enter at the beginning of the Liberation Acupuncture Program.

Due to the unique nature of the POCA Tech curriculum, it is unlikely that other acupuncture and Oriental medicine schools will accept transfer credits from POCA Tech. All applicants should be aware of this when deciding which school is the best match for them.

Ability to Benefit from POCA Tech

Applicants demonstrate their ability to benefit from POCA Tech by the grades they achieved in their general education and co-requisite classes, and their participation in and understanding of the POCA cooperative.

Treatments

POCA Tech students are expected to receive regular acupuncture treatments from a POCA clinic during the duration of their school tenure.

Communication

All students are required to maintain and check an email address daily. Students are responsible for being aware of all communications sent to them via email by administrators or faculty.

POCA Membership

All applicants must be current Acu-Punk/Student members of the POCA Cooperative (www.pocacoop.com).

Additional Questions?

First - please read the POCA Tech [Student Catalog](#) and the [POCA Tech Website](#).

Still have questions – mail POCA Tech’s Registrar at registrar@pocatech.org

Application Instructions

- Confirm your POCA membership or join here: www.pocacoop.com Note: POCA Tech application and enrollment require a current POCA Acu-Punk/Student membership.

POCA TECH (501c3) 3526 NE 57th Ave., Portland OR, 97213

Admission Application - 2021

- Complete the application form, quiz, and essays and MAIL it to POCA Tech. Include a passport photo of yourself, and an application fee of \$25. Mail to Admissions, POCA Tech, 3526 NE 57th Ave, Portland, OR 97213. USPS mail works just fine – not need to use an expensive delivery service. Local residents may deliver in person.
- Order official copies of **all** your college transcripts – **to be mailed directly from the school** to Admissions at POCA Tech, 3526 NE 57th Ave, Portland, OR 97213. Electronic versions are accepted only if paper transcripts are not available.
- Request 2 letters of recommendation – **to be mailed directly to Admissions at POCA Tech.** Your signature is required on the “Letter of Recommendation” form, which must be submitted with recommendation letter by your recommender. One letter of recommendation is preferred to be from a current POCA member.
- Interview with the Admissions Committee. Once your application is complete, you will be notified by the Registrar’s office and the Admissions Committee will contact you to schedule an admissions interview.
- Once the above requirements are received or met, applicants will be notified of their admission decision within 45 days.

Application Deadlines

Applications for Cohort 8 must be received by August 10, 2021.

Non-Discrimination Policy

POCA Tech does not discriminate against any individual whether student, volunteer, instructor, or administrator, on the basis of age, physical disability, sex, sexual orientation, gender identity, race, color, religion, national or ethnic origin or any other status protected by the law in its admissions or employment practices.

Application Essays

Please write essays on **each** of the following 7 topics. Please keep each essay to less than 250 words. Include the topic at the head of each essay.

Applicants who feel a non-written response would be more appropriate may provide a video or audio recording in lieu of written essays. Please keep times to under 4 minutes per topic. A URL may be provided, but a physical archive such as a CD/DVD, USB drive, or other media must be submitted as well.

Essay Topics:

1. Please describe your study habits. POCA Tech cultivates a collaborative rather than competitive environment, and students are most successful when they are able to get support from their classmates by studying together as well as having solid, disciplined individual study habits. What's your track record with studying alone and together?
2. Please tell us why you want to attend POCA Tech and become a community acupuncturist.
3. POCA Tech's purpose is to train students to provide thoughtful, nonjudgmental care to patients whose lives are often really difficult due to factors such as: chronic illness/pain, toxic stress, lack of socioeconomic resources, and marginalization by society. Please describe what experiences in your life will allow you to empathize with your future patients. Feel free to tell stories. (Pro tip: we're looking for students who are coming from a place of solidarity rather than charity.)
4. Talk about your relationship with money. Include anything relevant about your history, your family's attitudes and behaviors, your partner(s) and/or children, and anyone else with whom you share resources. What concerns do you have about money, related to being in school or being in practice as a community acupuncturist?
5. One of POCA Tech's goals is to prepare graduates to be successful in owning and/or working in a small business. We're looking for students who are self-directed, creative,

POCA TECH (501c3) 3526 NE 57th Ave., Portland OR, 97213

Liberation Acupuncture

Admission Application - 2021

resourceful, and flexible in the face of challenges. The nature of the POCA Tech program requires students to already have, or work hard on developing these qualities. Please describe your relationship to these qualities.

6. Please describe your commitment to serving underserved and/or marginalized communities after graduation. What are you planning to do, with whom are you planning to do it, and how firm are your plans?

7. Please consider the following question: In an environment that has more challenges than it has resources, and where what you want/need might not be readily available to you, you are most likely to:

- a. complain loudly about how unfair it is that you can't have what you want/need
- b. demand that someone fix the situation
- c. withdraw and give up
- d. creatively figure out a way to get what you want/need
- e. work with other people to build what you want/need so that everyone can share it

Describe a situation where this has actually happened in your life and how you responded. If you've never experienced this, please speculate about how you think you might respond to such an environment (spoiler: it's POCA Tech!).

Application Quiz

Please circle the correct answers, and submit this quiz with your application.

1. Applicants must have completed at least 2 years of college level education (or 90-quarter credits or 60-semester credits) at an institution(s) of higher education accredited by a federally recognized accrediting agency.
True False
2. Applicants must be at least 18 years old.
True False
3. Total program tuition is designed to be comparable to what a new graduate can expect to earn by working full-time, currently about:
 - a. \$10,000
 - b. \$25,000
 - c. \$45,000
 - d. \$65,000
4. Most students will need to move to Portland in their second year in order to complete the clinical internship requirement.
True False
5. Participation in the program requires a commitment to work for 3 years after graduation in a member clinic of the POCA Cooperative.
True False
6. Success in this program will require the following:
 - a. Self-directed study in between modules
 - b. Lots of rote memorization
 - c. Small group work and class participation
 - d. All of the above
7. There are 420 hours of required Western Biomedical classes that are not taught at POCA Tech. Students must complete these co-requisites prior to:
 - a. Enrolling
 - b. The end of the first year
 - c. The beginning of the third year
 - d. Graduation

Liberation Acupuncture

Admission Application - 2021

8. The following is/are additional co-requisite(s):
 - a. First Aid
 - b. CPR
 - c. Clean Needle Technique
 - d. All of the above

9. Acupuncture is a licensed profession. Licenses are granted by:
 - a. The school upon graduation
 - b. A national board after passing the exams
 - c. The federal government
 - d. Each state

10. POCA Tech offers Federal financial aid
True False

11. As graduates of an ACAOM-accredited school, POCA Tech students may apply to take the NCCAOM exams, a foundation for licensing in many, but not all states. Students need to understand licensing requirements for the state where they plan to practice. A solid plan for employment is a graduation requirement.
True False

12. The degree granted by POCA Tech is:
 - a. Master's Certificate of Acupuncture
 - b. Master's Degree in Acupuncture
 - c. Master's Degree in Acupuncture and Oriental Medicine
 - d. None of the above

13. Some states' licensing boards require all acupuncturists to be qualified in Chinese herbal medicine. POCA Tech does not offer instruction in Chinese herbal medicine.
True False

14. POCA Tech's ability to meet its mission of providing affordable acupuncture education relies heavily on volunteer labor, and on maintaining a lean administrative structure. Students and prospective students also shoulder much of the burden of ensuring a strong and functional operation, and cooperatively meeting the needs of everyone in the school community.
True False

15. POCA Tech is governed via sociocracy. Students have a significant responsibility for school governance.
True False
